

THINK OUTSIDE  
THE LUNCHBOX

## FOOD CREATION

THERE WON'T BE ANY TIME WHEN YOU DON'T GET FOOD BECAUSE BUSY EVE WILL TAKE CARE ABOUT YOUR FOOD CRAVINGS AND WILL CREATE YOUR WILDEST DREAMS. THE KITCHEN OF THE FUTURE WILL BE OPERATED BY ROBOTS AND 3D PRINTERS. COOKS WILL BE THERE TO CREATE NEW FOOD RECIPES. THE DIVERSITY OF FOOD IN THE CANTEEN WILL INCREASE, BECAUSE COOKS WILL HAVE MORE TIME FOR CREATIVITY.

BUSY EVE
